A SOLUTION FOR EMPLOYERS AND EMPLOYEES

When you combine MasterTax with iPay and ADP W-2 print services, you and your employees get these added benefits:

- **Saves money** – Reduce paper costs, paper file space and security fees, shredding fees and postage by using online services.
- **Saves time** – MasterTax provides direct interfaces to iPay and ADP W-2 print services. Employee paper W-2s can be sent directly to the employee, thereby eliminating employer distribution costs.
- **Greater security** – Since there is less chance of paper copies drifting around, all personal information, like Social Security Numbers, are safely guarded and password protected.
- **Enhanced privacy** – If employees choose to print a paper record, they have the choice of suppressing the printing of personal identifiers like SSN.
- **Improved communication** – Employees are immediately notified with their W-2 statements are available, keeping them in the loop and up to date.
- **Superior compliance** – Rest assured that you are filing all required forms by federal and state mandated deadlines. MasterTax will generate all paper or electronic employer filings while ADP W-2 print services will create all employee forms.

MasterTax software with iPay and ADP W-2 print services is clearly the most complete payroll tax processing solution for scheduling, paying, balancing and filing your payroll taxes as well as managing all year-end tax requirements—simply, easily and automatically.
