## **SaaShr.com and MasterTax, LLC, Announce New Partnership**

*New partnership helps SaaShr.com and MasterTax, LLC better serve customers.*

SCOTTSDALE, AZ — June, 5, 2009 — SaaShr.com, a leading provider of Software as a Service (SaaS) with a major push in Workforce Management Solutions, has partnered with MasterTax, LLC, the top independent provider of payroll tax compliance software. The agreement will give SaaShr.com customers the ability to interface with MasterTax software in order to automate all their payroll tax filing.

Chad Brenneman, President of SaaShr.com, explained, “This relationship allows us to continually focus on development of new software functionality that increases payroll processing efficiency and performance, without being encumbered with ever-changing forms, and tax payment and filing laws.”

“We are excited to be a part of SaaShr.com’s platform and look forward to providing the best payroll tax solution possible for all its customers,” said Richard Warneka, President of MasterTax, LLC.

Users of SaaShr.com’s software and service offerings (including Payroll, HR, Time & Labor Management and CRM) can maximize efficiencies in their payroll tax compliance and year-end processes, thanks to an electronic interface with MasterTax software. Customers will benefit from this combination by gaining a simple and secure way to access human resource, payroll, and tax compliance functions all on one platform.

### **About SaaShr.com**

Formed in 2002, SaaShr.com helps companies deliver both internal and consumer-facing applications as a service that are more intuitive, easier to deploy, and offer lower total cost of ownership. Two distinct business lines include a pre-existing set of Human Resource centric applications that are offered under a private-label model and a pure multi-application, multi-tenant delivery platform that can be coupled with industry-specific business logic and proprietary data to be delivered as a complete SaaS solution.
